- **IMPORTANT INFORMATION ABOUT PROCEDURES FOR OPENING A NEW ACCOUNT.** To help the government fight the funding of terrorism and money laundering activities, federal law requires all financial institutions to obtain, verify, and record information that identifies each person who opens an account. What this means for you: When you open an account for a business (legal entity customer), for all individuals authorized to act on the account, we will ask for their names, addresses, dates of birth and other information that will allow us to identify them. You must also provide, and certify the correctness and completeness of, this same information for (1) each individual, if any, who owns, directly or indirectly, 25% or more of the equity interests of the legal entity customer (beneficial owners), **and** (2) an individual with significant responsibility for managing the legal entity customer (e.g., a Chief Executive Officer, Chief Financial Officer, Chief Operating Officer, Managing Member, General Partner, President, Vice President, or Treasurer). **If you fail to provide all requested information, it may delay or prevent us from opening an account and making the requested investment(s). If after the account is open we are unable to verify the information provided, we may remove the affected authorized signer(s) or we may close the account(s).**
- **NOTE:** You must provide your U.S. Taxpayer Identification Number (TIN); a TIN includes the SSN, ITIN, ATIN and EIN. If you have never been issued a U.S. TIN and are not a U.S. citizen, in place of a U.S. TIN please send us a copy of one of the following items: a resident alien ID card, a current passport, a current foreign government-issued ID card, or other document evidencing nationality or residence that bears a photograph. If any document offered by non-U.S. persons is unfamiliar and cannot be authenticated by reasonable means, the account will not be opened. Refer to Section 13 for additional certification requirements applicable to each registered owner.

If completing by hand, please print clearly in CAPITAL LETTERS using blue or black ink.

If applicable, provide any Franklin Templeton CASE NUMBER(S) related to your request: _____

1B ACCOUNT OWNER – FOREIGN (or non-U.S.) ENTITY

FOREIGN ENTITIES and FATCA: Under new U.S. tax law, commonly known as the Foreign Account Tax Compliance Act (“FATCA”), the United States imposes a new regime of investor due diligence, tax information reporting and withholding on foreign financial institutions and certain other non-financial foreign entities with the goal of identifying U.S. taxpayers who are investing through offshore accounts or foreign entities. Failure to comply with these new rules may result in a new 30% U.S. withholding tax on distributions and redemptions made to your account. As a result of this new law, all non-U.S. business entity account holders will be required to provide a valid U.S. withholding certificate on Form W-8 to document their U.S. withholding tax status, including their status under FATCA.

In order to comply with FATCA and other U.S. tax laws governing the taxation of foreign entities, you must complete and submit Form W-8BEN-E, W-8IMY, W-8EXP or W-8ECI, as applicable, along with any additional information required per the form instructions. If you fail to provide the requested documentation indicating your FATCA status, your account may be subject to the new 30% U.S. withholding tax, and it may prevent us from opening the account and making your requested investment(s).

1D BENEFICIAL OWNERS

Please complete this section to identify each individual, if any, who owns, directly or indirectly, 25% or more of the equity interests of a legal entity customer (beneficial owners). The number of individuals that satisfy this definition of “beneficial owner” may vary. Depending on the factual circumstances, up to four individuals (but as few as zero) may need to be identified. Regardless of the number of individuals identified here in section 1D, you **must** provide the identifying information of one individual who has significant responsibility for managing the legal entity **in section 1E**. It is possible that in some circumstances the same individual might be identified under both sections (e.g., the President of Acme, Inc. who also holds a 30% equity interest). Thus, a completed application will contain the identifying information of at least one individual (**under section 1E**), and up to five individuals (i.e., one individual under section 1E and four 25 percent equity holders under this section).

6 SALES CHARGE REDUCTIONS FOR CLASS A SHARES

Franklin Templeton offers two ways for you to combine your current purchase of Class A shares with other existing Franklin Templeton and Legg Mason fund share holdings that might enable you to qualify for a lower sales charge with your current purchase. You can qualify for a lower sales charge when you reach certain “sales charge breakpoints.”

CUMULATIVE QUANTITY DISCOUNT FOR CLASS A SHARES (Please provide statement copies for any mutual fund holdings that are not held directly with Franklin Templeton.)

I have reviewed the cumulative quantity discount provision of the Fund’s prospectus and understand that I can combine the amount of my current purchase of Class A shares with any existing holdings that the prospectus describes as “cumulative quantity discount eligible shares” to determine if I can qualify for a reduced sales charge breakpoint. I also understand that if there are any existing cumulative quantity discount eligible shares that I want combined with my current purchase, I must identify the account(s) in which they are held below or they will not be considered in determining if my current purchase qualifies for a reduced sales charge breakpoint.

I have reviewed the prospectus and believe that cumulative quantity discount eligible shares are held in the following account(s):

Fund-account number(s)	Cumulative value of eligible shares
	\$

LETTER OF INTENT FOR CLASS A SHARES

Although I am not obligated to do so, the aggregate amount of Franklin Templeton and Legg Mason funds’ shares I intend to purchase over the 13-month period will be in an aggregate amount at least equal to:

Householding of Prospectuses and Fund Reports Notice

Every year we are required to provide you with an updated summary prospectus, an annual report and a semi-annual report.

In an effort to limit the amount of mail you receive and reduce fund expenses; we identify shareholders of a fund who are part of the same family (have the same last name) and share the same address so that the household receives only one copy of these documents. This process is called "householding" and automatically takes effect 60 days after an account is opened.

You can opt-out of householding at any time by calling Shareholder Services at (800) 632-2301. We will stop householding within 30 days of your opt-out request and begin sending individual copies of these documents to each investor.

Franklin Templeton contingency planning guidelines

Franklin Templeton plans are developed around specific corporate-wide guidelines. Plans include the ability to recover from various situations including but not limited to unplanned evacuations, power outages, fire, severe weather, intentional acts, and facilities failures that may cause interruptions to our business. Our plans are constructed to recover critical functions according to their time criticality. To maintain secure and effective plans, Franklin Templeton does not provide the specific details in this notice, but you should be aware that corporate disaster recovery planning includes the following:

- Identification and recovery of mission critical systems.
- Replication, backup and recovery for critical information.
- Alternate & redundant communications between Franklin Templeton and its customers.
- Alternate communications with and alternate locations for employees.
- Regulatory reporting and communications with regulators.
- Review of financial and operational risks.

Franklin Templeton contingency planning and business recovery

Franklin Templeton actively identifies and seeks to mitigate risks to reduce potential issues and their impact. In the event of an outage or other site-specific problems, Franklin Templeton has plans in place to support recovery of its critical business systems and functions. In addition to the guidelines stated above, Franklin Templeton’s recovery plans also include the following:

- **Seamless client contact**—Franklin Templeton oversees pre-established and tested processes for rerouting of critical telephone and computer systems. Customers should experience minimal downtime in their ability to contact Franklin Templeton. Within a minimal period of time, customers would be able to re-attempt contact via published toll-free telephone numbers, or the website.
- **Access to your funds**—an outage affecting a given site should not impact your ability to access your funds, as business continuity plans are designed to help ensure sustained service. Please note that Franklin Templeton business continuity plans which are critical to our operations are reviewed, updated and tested annually, to ensure they account for technology, business and regulatory changes. The plans are subject to change, and material changes to our approach will be reflected in an updated “Business Continuity Planning Information Notice” that will be posted on our website at franklintempleton.com.
